

The background is a dark, monochromatic collage of various decorative elements. On the left, there is a large, ornate tassel with a textured, spherical top and a long, fringed tail. In the center, a vertical, fluted decorative element, possibly a finial or a part of a lamp, is visible. To the right, another tassel with a similar spherical top and fringed tail is shown. The overall aesthetic is classic and elegant. A large, semi-transparent watermark logo is visible on the right side of the image, consisting of a stylized 'F' and 'C' intertwined.
